COMMISSIONERS' REPORT.

To the Citizens of Sullivan County :

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of the County of Sullivan herewith present their annual report, together with the report of the Superintendent of the County Farm and House of Correction, Treasurer, Clerk of Superior Court, Sheriff, Jailor, Solicitor, Chaplain, Physician, and Auditors for the fiscal year ending Dec. 31, 1910.

The County Farm and House of Correction continue under the management of Mr. and Mrs. O. A. Putnam as Superintendent and Matron.

During the past season a new stock barn has been built at the farm 40 x 84 feet, with basement under the whole, with cement walls for foundations and slate roof. The main floor contains stables on either side, with box stalls and granary. The stables are equipped with 42 of the "Perfection Swing Stanchions," which is a great improvement over the former way of confining cattle.

One of the old barns has been removed to a suitable place west of the horse barn, and repaired and remodeled into a tool house and slaughter room, the latter being fitted up

with modern conveniences for butchering.

While improvements have constantly been going on about the County buildings for the past six years, yet there are some things still needed to bring the same to a reasonable state of perfection at the farm, among which are the remodeling of the Superintendent's house, and the building of a new heating plant separate from the main buildings, as recommended by the last report of the State Board of Charities and Corrections.

In conclusion, we desire to thank the Superintendent and Matron, and all employees at the County Farm for their cooperation and interest manifested in the discharge of our various duties. Also, to all other officers of the County and towns, with whom we have in any way had business relations.

Respectfully submitted,

HENRY C. SANDERS,	}	Commissioners of Sullivan County.

SUPERINTENDENT'S REPORT.

To the Honorable Board of Commissioners of Sullivan County :

I hereby present to you my fourth annual report as Superintendent of the County Alms House and House of Correction for the year ending December 31, 1910.

Any extended remarks are unnecessary as you are familiar with the details in the management of the institution.

The following report shows a decrease in the number of inmates admitted and supported at the County Farm the past year.

Our thanks are due to Emery M. Fitch, M. D., who has so faithfully administered to those requiring medical treatment.

To Rev. N. D. Witham, Chaplain, for his interest in the spiritual welfare of the inmates ; also, to all the employees under our charge, who have been faithful in the discharge of their various duties.

My relations with the Commissioners have always been of a very pleasant nature and they are entitled to many thanks for assistance rendered me in the discharge of my duties.

The ladies from Claremont and Newport have made their annual visits and contributed candy and fruit as is the usual custom. Also, Mrs. Lillian Streeter, chairman of the State Board of Charities remembered the inmates at Christmas with cards and boxes of candy. All of which have helped to make the lives of our people more cheerful and happy.

Respectfully submitted,

OLIVER A. PUTNAM,
Superintendent.

PHYSICIAN'S REPORT.

To the Commissioners of Sullivan County :

Gentlemen :—

I hereby submit my report as Physician to Sullivan County Almshouse for the year ending Dec. 31, 1910.

There was considerable sickness during the first part of the year, but during the latter half a general condition of good health has prevailed. Fourteen deaths and one birth have occurred.

Great kindness and attention has been shown the inmates by the staff of efficient employees, whose cheerful co-operation in caring for the sick is highly appreciated.

I commend you for the interest you have shown for the good of the Institution, and thank you for your courtesy to me.

CHAPLAIN'S REPORT.

To the Honorable Board of Commissioners of Sullivan County :
Gentlemen :

It was my happy lot last April to take up my duties as Chaplain of the Sullivan County Almshouse, and it has been a year of pleasant labor for me, since all seem to show much appreciation and interest in the work.

We have held our regular semi-monthly chapel services which have been well attended by inmates and attendants, as well as the Superintendent and his wife, who have given us their hearty support.

I have attended five funerals and two meetings of the W. C. T. U., which was held at the home, and have made several other visits, as the occasion required.

The people have been kind and thoughtful in sending in flowers, reading, etc., which has been fully appreciated.

The Superintendent with his worthy wife and family, we believe, are well fitted for the position they hold, as are also their assistants, Mr. and Mrs. Whipple, Mr and Mrs. Thompson and others, who are doing all they can for the comfort and well are of those in their charge, and too much cannot be said in praise of our honorable Board of Commissioners, in their management of this institution, which we believe to be practical christianity.

The home is pleasant, comfortable and well equipped, and I believe an institution like this is worthy of a better name than the "County Farm," as it is commonly called.

Your humble servant,

N. D. WITHAM.

Newport, N. H., January 14, 1911.

We hereby certify that we have examined the accounts of the county commissioners, superintendent of the county farm, and the county treasurer for the past year, also the bills, vouchers and payments named therein, and find them correctly cast and well vouched; that the sums charged therein for articles purchased are according to the market value, and we believe such articles have been used for the benefit of the county.
